## IMPORTANT INFORMATION ABOUT YOUR PRICES AND SERVICES

East Gull Lake, Motley, Pillager and Verndale  
February 1, 2021

Dear Valued Customer:

All of us at SCI Broadband are committed to improving your entertainment and communications experience, and we continue to invest in making your services even better. While we continue to make these and other investments, we periodically need to adjust prices due to increases in programming, retransmission of local television channels and other business costs.

While the cost of our Digital Voice services and High Speed Internet are not increasing, the monthly charge for Basic Cable TV will increase effective with your February, 2021 statement.

We know you have choices for entertainment, information and communications services in your home or business. We sincerely appreciate your continued business and pledge to bring you the best available products. On behalf of the employees who live and work in the rural areas served by SCI, thank you for being a loyal SCI customer.
